

Revaldi Maulid Athallah Ranur

Student SMK Krian 1

WORK EXPERIENCE

Web Developer

Making My own Website Using HTML,CSS, and Javascript, Take Some Client Mostly Among Other student

July 25th 2022 to --

- Maintained 100% client satisfaction by ensuring that all projects meet quality and budget standards
- Boosted annual productivity by 40% by pushing fellow Developer to work cross-functionally with software
- Increased efficiency by 75% within six months by identifying needs that can be successfully addressed by projects

Join English Month Speech Competition

University Of Turnojoyo Madura

October 4th 2023

(1 Month)

- Although I did not emerge as a champion, this competition has undeniably elevated my English language proficiency by approximately 25%.
- Participating in the competition has significantly enhanced not only my English proficiency but also my public speaking skills to a substantial extent. This experience has greatly contributed to the development of my confidence and self-assurance.
